

25 years and going strong

BCP Strata is celebrating 25 years of operation.

From our humble beginnings in December 1991 to the thriving business of today we have seen many changes to the Body Corporate Industry.

As we proudly celebrate our 25 year anniversary we would like to take this opportunity to thank our treasured staff, past and present. BCP Strata would not be the company it is today without the hard work, passion and loyalty of the people who have worked here over the years.

Also a big thank you to our many wonderful clients (some of whom have been with us since the early days) for your continued support. The people that we deal with daily always make things interesting and the positive relationship we enjoy with the majority of our clients make for an exciting future for BCP Strata.

We would also like to say a big thank you to the many business entities that BCP obtains services from – without you guys we wouldn't be able to operate.

Here's to the next 25 years!
