

Storm Season

Severe weather is a natural part of living in Queensland. Every year Queenslanders experience severe weather and it looks like this year will not be any different. It is important to take time to prepare your family, pets and property.

Below is a list of very handy websites that explain the best way to prepare for storms, cyclones and flooding. Have a look. You never know - it might help keep you, your family, neighbours and homes safe this storm season.

Don't forget in an emergency situation call:

- Flood/Storm Emergency – call SES on 132 500
- Life Threatening Emergency – call 000
- Non-Emergency SES Enquiries – [click here](#)

Handy links to help prepare for Storm Season:
